Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons wishing to express their concerns relative to Manatee County compliance with Title VI may do so by contacting Carmine DeMilio, ADA Coordinator, by phone at (941) 792-8784 or via email at [Carmine.DeMilio@mymanatee.org](mailto:Carmine.DeMilio@mymanatee.org).

This roadway project will widen 1.9 miles of Moccasin Wallow Road from U.S. 41 to west of I-75 from two-lanes to six-lanes (3 in each direction) when built to its final configuration. The interim phase of the project will widen the roadway from 2-lanes to 4-lanes (2 in each direction) separated by a 22-foot wide raised grass median. A 12-foot wide multi-use path will be constructed on the north side of Moccasin Wallow Road in addition to a 6-foot wide sidewalk on the south side and 7-foot wide bicycle lanes in each direction. Median openings will be provided to allow residential access and stormwater run-off will be collected and treated in linear ponds along the project roadway.
